

Dear Parents,

Registration is still in progress for the 2010-2011 school year in the extended care before and after school program. There is a brochure in your school enrollment packet with the form, prices and procedures to enroll your child/children. The state of Missouri has a standard requiring one staff member to every 16 children in 1st- 8th grade. We are currently budgeting for next years extended care staff. We only have 17 families k-8 enrolled with a total of 16 children. Registration may be limited and a waiting list will be maintained if necessary.

At this time, we will only need to staff one teacher for the k-8 program. If you have not enrolled your child/children and are planning to, send in the enrollment form or contact Laura Linton (353-0284 or llinton@nativityofmary.org) **If your child/children are not enrolled they will not be able to attend the extended care program.**
